Venue and Transportation

About Tagajo city (Symposium site)

Tagajo city is located about 15 km east of Sendai and is accessible by “JR Senseki-line”, which leaves from underground track 10 of JR Sendai station.

It takes about 22 minutes from Sendai to Tagajo.

Any train is available except one for “Kozuru-Shinden”.

Be careful not to take “JR Senseki-Tohoku line” having a confusing name!!

About Sendai (gateway city to Tagajo)

Sendai is the largest city in Tohoku Region and will be reached in about 1 hour 35 min from Tokyo by “JR Tohoku-Shinkansen” (bullet train).

Sendai airport has some international flights from Seoul, Taipei, Beijing, Shanghai, and Guam as well as many domestic flights from major cities of Japan.

Sendai airport is connected to JR Sendai Station by “Airport Access Line” train.
